Printed color representation is for reference only. For true color it is recommended to use the fabric sample card.

## TEMPOTEST® AWNING BINDING TAPE

Tempotest® Awning Binding Tape is 100% acrylic and is color coordinated with the Tempotest® line of awning and marine fabric. It has a fine, soft hand and is available in a wide range of colors. Tempotest® Awning Bindings are suitable for use with any awning fabric.

This binding has the same solution dyed construction as the Tempotest® fabric, providing excellent exposure resistance to sun and atmospheric contents as well as the actions of molds, micro-organisms and salt.

Content: 100% Acrylic  
Width: 7/8"  
Roll Length: 164 yards

Distributed Exclusively By:
